## EDUCATION

---

<b>Sciences Po Paris</b> <i>PhD In Economics, under the supervision of P. Cahuc</i>	2022 - Now
<b>Sciences Po Paris</b> Msc In Economics (Research Track), Student Representative	2017 - 2019
<b>University of Texas at Austin</b> <i>Exchange Year - Economics and Mathematics</i>	2016 - 2017
<b>Sciences Po Paris</b> Bachelor Degree, Major in Economics	2014 - 2017

## RESEARCH EXPERIENCE

---

<b>IPP - Institut des Politiques Publiques (PSE/CREST)</b> <i>Junior Economist at the IPP, specialization in labor and firm related topics</i>	September 2020 - May 2022
Supervised by faculties from Paris School of Economics, I was involved at every step of the policy reports or the research papers we produced. Projects include but are not limited to the impact of covid crisis on the French labor market, the evaluation of the fiscal measures addressed to French firms during covid crisis, and an European Commission funded research paper on employers' associations	
<b>UC Berkeley - Institute for Research on Labor and Employment</b> <i>Research Data Analyst at IRLE for Pr. Jesse Rothstein</i>	August 2019 - August 2020
Research projects on labor markets and education. Using mainly STATA and the Unix environment. Tasks include cleaning of large databases (CPS, education data, data from BOL), production of figures, regression analysis (logit, panel, ...), synthetic control, to name a few	
<b>Bank of France</b> <i>Research Assistant for Pr. Jean-Stephane Mesonnier, Directorate Deputy Director</i>	June - August 2018
Research project on banks environmental commitments and distribution of credit.	

## TEACHING & EXPERIENCE

---

<b>Sciences Po</b> <i>Teaching Assistant</i>	Fall 2018 - Fall 2020
During my master and later on, I hold several positions of teaching assistant at Sciences Po working for Sergei Guriev in political economy (pFall 20), Emeric Henry in public economics (Fall 18, Fall 20, Fall 21), Pierre Cahuc in labor economics (Spring 19) and Mirko Wiederholt in macroeconomics (Spring 19)	
<b>Le Cercle des Economistes - Les Rencontres Economiques d' Aix</b> <i>Coordinator of the conferences. Each year Les Rencontres Economiques gathers more than 220 economists and decisions makers, making it the 3rd biggest worldwide Economic Forum</i>	June-July 2022

## COMPETENCES

---
